General Comment

My voice is ignored by federal government. You represent your own agenda, not my needs or wants. I have 17 days to early vote and an additional day called, Election Day. I have to leave home to go to the doctor, the pharmacy, the grocery store, etc. etc. I am not "voter suppressed". Please stop saying that I am voter suppressed. I vote in person, and voted in person during 2020 when covid was ravaging lives. Please stop speaking for people whom you have never "spoken to" about your agenda. It is deceitful to do so.
